For those of you who may need assistance in transportation, Claudia Coggins will be coordinating driver volunteers from Dallas to Mt. Pleasant, details below.

**Thursday:** Scott and his team will provide snacks and drinks in the hanger starting at 4:00 p.m., followed by dinner. Tentative plans are being made for the Executive Council to meet in the morning, followed by the Wing Commander's meeting.

**Friday daytime:** Full day of flying fun, along with lunch in the hanger.

**Friday evening:** Dinner will be held in the hanger, with after dinner speaker and entertainment. Details to follow.

**Saturday:** Morning general membership meeting followed with more flying fun during the day, lunch and our usual dinner banquet in the evening, with awards and a special speaker. Details to follow.
